### **9 to 10:30 a.m. ~ Special Presentation \* CEQA, GHGs, ERCs and BPS**

#### **How the District's Best Performance Standards May Impact Your Facility**

Dave Deckman (Dudek) and Dennis Gregor (R.F. MacDonald) have teamed up to present an overview of the San Joaquin Valley Air District's CEQA guidance document relative to greenhouse gas emissions and the development of best performance standards that may impact you as you expand operation or add equipment. Standards are now being developed and industry input is essential.

**For information on the measures, visit:**
